Jon,

Please accept this email as my formal resignation from the MUPP Board, effective immediately.

I have appreciated the opportunity to serve alongside you and the rest of the board over the last few years, including serving as secretary. With work and life commitments continuing to grow, I am no longer able to give the position the time it deserves.

I believe the board is moving in the right direction, and I wish you all continued success.

Thank you again for the opportunity,

Joe Foster
