Memo

TO: City Commission

FROM: Dean Grant

CC: Department Heads

DATE: 10/7/2021

SUBJECT: KDOT Grant Application for 51' Runway Extension Construction

Staff would like to submit an application to KDOT Aviation for State fiscal year 2023 funding consideration, these are due by the end of October 31, 2021. We were awarded the City of Emporia a grant for design in fiscal year 2022. Staff would like to apply for a grant that would pay for 90% of the construction costs to extend the runway 51 feet. Costs will be approximately \$525,000.00. The City's cost for this portion of the project would be approximately \$52,500.00.

Memo

TO: City Commission

FROM: Dean Grant, Director of Public Works

CC: Department Heads

DATE: October 7, 2021

SUBJECT: State Revolving Fund Drinking Water Loan #2

Bruce Boettcher and Thaniel Monaco, with BG Consultants, will be at the meeting on October 13, 2021, to discuss the State Revolving Fund Drinking Water Loan. They will discuss the application process, the projects, and the amount that we will be asking the commission to approve for the application.
