Memo

To: City Commission

From: Jim Ubert, City Engineer

cc: Department Heads

Date: March 9, 2022

Re: Sanitary Sewer Connection Policy

The City is constructing a 24" sanitary sewer along Americus Road that will serve Everyg and the larger sewer basin generally between Road F & KTA and from US-50 to the Neosho River.

Staff will forward recommended connection fees for this sanitary sewer as an update to our existing fee schedule in a separate communication.
